SECOND ORDER OF BUSINESS: Approval of the Minutes

On MOTION by Charlie Amante, seconded by Craig Estep, with all in favor, the Board approved the Minutes from the Meeting held on January 11, 2019.

THIRD ORDER OF BUSINESS: Acceptance of Audit Report for Fiscal Year 2017/2018

Anne Hochsprung, Finance Director, advised that Purvis Gray & Company, the District's Auditor, have completed the audit report for Fiscal Year 2017/2018 and reviewed the Statement of Activities as well as the Balance Sheet of Governmental Funds with the Board. The following items were highlighted from the Fiscal Year 2017/2018 audit:

- The assets of the District exceeded its liabilities as of September 30, 2018 by \$15,947,239 (net position). Of this amount, \$1,936,464 of unrestricted net position may be used to meet the District's ongoing obligations to residents and creditors.
- The District's total net position decreased by \$407,320. This decrease in net position resulted primarily from depreciation expenses for all capital assets of \$679,594, which reflects the using up over time of the value of capital assets previously acquired, to allow for the planning of the timely replacement of renovation of those assets, when required. The annual decrease in net position resulting from depreciation expense reflects the need of the District in future years to increase its budgetary allocation to build new assets or repair or upgrade existing assets as the assets continue to age.
- At the close of the Fiscal Year, the District's governmental funds reported combined fund balances of \$1,975,455, a net increase of \$204,670. Of the total, \$1,029,392 is available for spending at the District's discretion as unassigned fund balance.

 At the end of the Fiscal Year, unassigned fund balance of the General Fund was \$1,029,392 or 107.2 percent of total General Fund annual expenditures. This provides a healthy contingency for unexpected expenditures.

Helen Painter with Purvis & Gray, the District's Auditors, advised an unmodified opinion has been issued and believes that the financial statements are fairly presented in accordance with generally accepted accounting principles and are free from material mistakes. Ms. Painter thanked Staff for their cooperation in providing all necessary documents to them for the completion of their audit. The Board thanked the auditors for the report provided.

On MOTION by Paul Sykes, seconded by Craig Estep, with all in favor, the Board accepted the Village Community Development District No. 1 Fiscal Year 2017/2018 Audit.

FOURTH ORDER OF BUSINESS: Approval of FY 19/20 Budget Calendar

Barbara Kays, Budget Director, advised that the District's tentative Fiscal Year 2019/2020 budget calendar has been provided and advised that a May Budget Workshop has been scheduled for Monday, May 20, 2019 at 8 a.m. in the District Office Large Conference Room to include a review of the Fiscal Year 2019/2020 recommended budget by line-item detail, capital improvement plan updates, and discuss the proposed maintenance assessment rates. Ms. Kays stated approval of the Proposed Budget will occur during the regular Board meeting on June 14, 2019 in the District Office Large Conference Room, and a Public Hearing to adopt the Final Budget followed by the Board's adoption of the Final Budget is scheduled to occur at the regular Board meeting on September 13, 2019 in the District Office Large Conference Room.

On MOTION by Paul Sykes, seconded by Ellen Cora, with all in favor, the Board approved the Fiscal Year 2019/2020 Budget Calendar.

FIFTH ORDER OF BUSINESS: Award of BID # 19B-002 Multi-Modal Path Tunnel Guide Sign Project

Kenny Blocker, Assistant District Manager, advised that Staff is requesting that the Board award Invitation to Bid (ITB) #19B-002 Multi-Modal Path Tunnel Guide Sign Projects to Central Florida Street Signs. The services will consist of tunnel guide sign projection, removal, installation and repair services on a specific project on an as needed basis.

On MOTION by Craig Estep, seconded by Paul Sykes, with all in favor, the Board awarded the District #1 portion of ITB #19B-002 to Central Florida Street Signs, LLC for the Multi-Modal Path Tunnel Guide Sign Project utilizing the total project pricing reflected on Exhibit A in the amount of \$652.20 for the unit pricing indicated in Exhibit B for as needed signage projects; and authorized the Chairman/Vice Chairman to sign the Agreement.

SIXTH ORDER OF BUSINES: Architectural Review Manual

Candy Dennis, Community Standards Manager, advised that during the January meeting Staff presented proposed revisions of the Architectural Review Manual for consideration. During the Board Meetings additional revisions were identified for the language pertaining to pavers, driveway painting for patio villas, front door and garage door painting for courtyard and patio villas and provided the necessary language for gate movement and adjusting of a sidewalk when corner/end lot courtyard villas construct a golf cart addition, which have been indicated in blue. Ms. Dennis stated that Staff is requesting that the Board approve the proposed revisions to the Architectural Review Manual.

On MOTION by Charlie Amante, seconded by Ellen Cora, with all in favor, the Committee recommended approval of the proposed revisions to the Architectural Review Manual.

SEVENTH ORDER OF BUSINESS: Operating Policies and Procedures

Brittany Wilson, Director of Technology and Board Support Services, advised that a draft of the Operating Policies and Procedures was provided to the Board via email and as an attachment to the agenda package. Staff has conducted a review of the District's existing Policies and Procedures, Statutory requirements, Operating Policies and Procedures from other governmental entities and existing policies that the Board has adopted throughout the years, which have been incorporated into the document presented. Ms. Wilson advised that Staff has highlighted those areas where options have been provided to the Board for consideration and are requesting that the Board review the document and provide comments to Staff to be incorporated prior to the March Board Meeting. Once the Operating Policies and Procedures have been finalized, Staff will move forward with the advertisement process for the Board to hold a Public Hearing to adopt the Rule.

Chairman Porter advised that the Board previously discussed, and provided a consensus that meeting cancellations would be addressed by the Board as a whole, not the Chairman individually. Ms. Wilson advised that Staff's suggestion would be to adopt its meeting cancellation via a Resolution, so if a change to the policy is requested in the future, it would not require the Rule to be amended.

EIGHTH ORDER OF BUSINESS: Old Business Status Update

If it is necessary to transfer a balance that exceeds the authorized amounts for approval by the District Manager, then it is required to receive approval by the Board. A budget resolution is required for approval by the Board if the budget total will change. In the case of an emergency expenditure affecting the health, safety or welfare of the District, its residents, or landowners, such expenditures must be approved in advance by the District Manager.
- 18) <u>Continuances.</u> Any meeting of the Board or any item or matter included on the agenda or coming before the Board at a noticed meeting may be continued without re-notice or readvertising provided that the continuance is to a specified date, time and location publicly announced at the Board meeting where the item or matter came before the Board.

1.6 Rulemaking Proceedings.

- 1) Commencement of Proceedings. Proceedings held for adoption, amendment, or repeal of a District rule shall be conducted according to the applicable provisions of Chapter 120, Florida Statutes, and these Rules. Rulemaking proceedings shall be deemed to have been initiated upon publication of notice by the District.
- 2) Notice of Rule Development. Except when the intended action is the repeal of a rule, the District shall provide notice of the development of proposed rules by publication of a notice of rule development in a newspaper of general circulation in the District before providing notice of a proposed rule as required by paragraph (3). The notice of rule development shall indicate the subject area to be addressed by rule development, provide a short, plain explanation of the purpose and effect of the proposed rule, cite the specific legal authority for the proposed rule, and a statement of how a person may promptly obtain a copy of any preliminary draft, if available. All rules should be drafted in accordance with Chapter 120, F.S.
- 3) Notice of Proceedings and Proposed Rules. Prior to the adoption, amendment, or repeal of any rule other than an emergency rule, the District shall give notice of its intended action, setting forth a short, plain explanation of the purpose and effect of the proposed action; a reference to the specific rulemaking authority pursuant to which the rule is adopted; and a reference to the section or subsection of the Florida Statutes or the Laws of Florida being implemented, interpreted, or made specific. The notice shall include a summary of the District's statement of the estimated regulatory costs, if one has been prepared, based on the factors set forth in Section 120.541(2), and a statement that any person who wishes to provide the District with a lower cost regulatory alternative as provided by Section 120.541(1), must do so in writing within 21 days after publication of the notice. The notice must state the procedure for requesting a public hearing on the proposed rule unless one is otherwise scheduled. Except when the intended action is the repeal of a rule, the notice shall include a reference both to the date on which and to the place where the notice of rule development that is required by subsection (2) appeared.
 - a. The notice shall be published in a newspaper of general circulation in the District not less than 28 days prior to the intended action. The proposed rule shall be available for inspection and copying by the public at the time of the publication of notice.
 - b. The notice shall be mailed to all persons named in the proposed rule. Any person may file a written request with the District Manager or secretary at the Board's office to receive notice by mail of District proceedings to adopt, amend or repeal a rule. Such persons must furnish a mailing address and may be required to pay the cost of copying and mailing. Notice will then be mailed to all persons whom, at least 14 days prior to such mailing, have made requests of the district for advance notice of its proceedings.

- 4) <u>Rule Development Workshops.</u> Whenever requested in writing by any affected person, the District must either conduct a rule development workshop prior to proposing rules for adoption or the Board Chair must explain in writing why a workshop is unnecessary. The District may initiate a rule development workshop but is not required to do so.
- 5) Petitions to Initiate Rulemaking. All petitions for the initiation of rulemaking proceedings pursuant to Section 120.54(7), Florida Statutes, must contain the name, address, and telephone number of the Petitioner, specific action requested, specific reason for adoption, amendment, or repeal, the date submitted, and shall specify the text of the proposed rule and the facts showing that the Petitioner is regulated by the District or has a substantial interest in the rule or action requested. Petitions to initiate rulemaking shall be filed with the District. The Board shall then act on the petition in accordance with Section 120.54(7), Florida Statutes (1999), except that copies of the petition shall not be sent to the Administrative Procedures Committee, and notice may be given in a newspaper of general circulation in the county in which the District is located.
- 6) <u>Rulemaking Materials.</u> After the publication of the notice to initiate rulemaking, the Board shall make available for public inspection and shall provide, upon request and payment of cost of copies, the following materials:
 - a. The text of the proposed rule, or any amendment or repeal of any existing rules;
 - b. A detailed written statement of the facts and circumstances justifying the proposed rule;
 - c. A copy of the statement of estimated regulatory costs if required by Section 120.541; and
 - d. The published notice.
- 7) Rulemaking Proceedings No Hearing. When no hearing is requested and the Board chooses not to initiate a hearing on its own, or if the rule relates exclusively to organization, practice or procedure, the Board may direct the proposed rule be filed with the District Office no less than twenty-eight (28) days following notice. Such direction may be given by the Board either before initiating the rule-adoption process or after the expiration of the twenty-one (21) days during which affected persons may request a hearing.
- 8) Rulemaking Proceedings Hearing. If the proposed rule does not relate exclusively to organization, practice or procedure, the District shall provide (upon request) a public hearing for the presentation of evidence, argument and oral statements, within the reasonable conditions and limitations imposed by the District to avoid duplication, irrelevant comments, unnecessary delay or disruption of the proceedings. Any affected person may request a hearing within twenty-one (21) days after the date of publication of the notice of intent to adopt, amend or repeal a rule.
- 9) Request for a Public Hearing. A request for a public hearing shall be in writing and shall specify how the person requesting the public hearing would be affected by the proposed rule. The request shall be submitted to the District within 21 days after notice of intent to

adopt, amend, or repeal the rule is published as required by law, in accordance with the procedure for submitting requests for public hearing stated in the notice of intent to adopt, amend, or repeal the rule.

- a. If the notice of intent to adopt, amend, or repeal a rule did not notice a public hearing and the District determines to hold a public hearing, the District shall publish notice of a public hearing in a newspaper of general circulation within the District at least 7 days before the scheduled public hearing. The notice shall specify the date, time, and location of the public hearing, and the name, address, and telephone number of the District contact person who can provide information about the public hearing.
- b. Written statements may be submitted by any person within a specified period of time prior to or following the public hearing. All timely submitted written statements shall be considered by the District and made a part of the rulemaking record.
- 10) Emergency Rule Adoption. The Board may adopt an emergency rule if it finds that immediate danger to the public health, safety, or welfare exists which requires immediate action. Prior to the adoption of an emergency rule, the District Manager shall make reasonable efforts to notify a newspaper of general circulation in the District. Notice of emergency rules shall be published as soon as practical in a newspaper of general circulation in the District. The District may use any procedure which is fair under the circumstances in the adoption of an emergency rule as long as it protects the public interest as determined by the District and otherwise complies with these provisions
- 11) <u>Negotiated Rulemaking.</u> The District may use negotiated rulemaking in developing and adopting rules pursuant to Section 120.54, Florida Statutes.
- 12) <u>Variances and Waivers.</u> Variances and waivers from District rules may be granted subject to the provisions and limitations contained in Section 120.542, Florida Statutes.

1.7 Decisions Determining Substantial Interests.

- 1) Conduct of Proceedings. Proceedings may be held by the District in response to a written request submitted by a substantially affected person within fourteen (14) days after written notice or published notice of District action or notice of District intent to render a decision. Notice of both action taken by the District and the District's intent to render a decision shall state the time limit for requesting a hearing and shall reference the District's procedural rules. If a hearing is held, the Board Chair shall designate any member of the Board (including the Chair), District Manager, District General Counsel, or other person to conduct the hearing.
 - a. The person conducting the hearing may:

 - c. The District shall issue a final order within forty-five (45) days:
 - i. After the hearing is concluded, if conducted by the Board;
 - ii. After a recommended order is submitted to the Board and mailed to all parties, if the hearing is conducted by persons other than the Board; or
 - iii. After the Board has received the written and oral material it has authorized to be submitted, if there has been no hearing.
- 2) <u>Eminent Domain.</u> After determining the need to exercise the power of eminent domain pursuant to Subsection 190.11(11), Florida Statutes, the District shall follow those procedures prescribed in Chapters 73 and 74, Florida Statutes. Prior to exercising the power of eminent domain, the District shall:

ISSUE:

ANALYSIS/INFORMATION:

When hearing and deciding alleged violations of the District's Deed Compliance Rule this Board is acting in a quasi-judicial capacity. You are acting in a similar capacity as a Judge. This means that Due Process shall govern all proceedings:

- A) Proper notice must be given to the alleged violator;
- B) The alleged violator must have an opportunity to be heard; and,
- C) The Board's decision must be made on substantial competent evidence.

Associated with quasi-judicial actions is the prohibition of ex-parte communications which means that Board Members shall not speak with the alleged violator, Staff or other interested parties or review evidence or materials related to the alleged violations outside the public hearing and without first providing notice to any adversely affected parties.

As a Board Member you should only hear and consider evidence that is presented to you at the hearing. Thus, you will note that you have not been provided with any back-up information concerning the cases that will be presented to you at the hearing. This is to avoid any allegations accusing you of receiving ex-parte communications which could result in a complaint being filed against you and the Circuit Court reversing the Board's order.

If, following the conclusion of a Public Hearing, a member of the public would like to obtain a copy of support documentation presented by Staff that information can be obtained from Community Standards Staff at (352) 751-3912.

Long-Term Investment Portfolio Review

ANALYSIS/INFORMATION:

The Investment Advisory Committee met with PFM Advisors on February 5, 2019 to review the annual cash flow analysis. The analysis is performed annually to determine the appropriate allocation of cash, cash equivalents and investments in the Long Term Investment Portfolio (LTIP). As previously defined by the Board, the balance in the LTIP should be 15% of the total cash and investment portfolio, net of the short term allocation. Based on this analysis, the IAC recommended a net \$4 million increase to the LTIP across all Districts combined to be reevaluated every quarter and deposited ratably over the next four quarters, beginning April 1, 2019.

Total cash and investments on hand in District 2 as of September 30, 2018 were \$2,173,008, of which \$260,761 should be in the LTIP. As of September 30, 2018, the LTIP balance exceeds the threshold established.

STAFF RECOMMENDATION:

No additional funds should be invested in the LTIP per the following analysis:

	Recommended LTIP Balance as Total Add'l

- The law is equally applicable to elected and appointed board and has been applied to any gathering of two or more members of the same board to discuss matters which will foreseeably come before that board for action.
- Three basic requirements of Chapter 286.011 of the Florida State Statutes are:
 - Meetings of public boards or commissions must be open to the public;
 - o Reasonable notice of such meetings must be given; and

- District documents are public records and must be provided upon request.

Q&A REPORT FOR THE 03-08-2019 CDD-2 BOARD AGENDA

Greetings Supervisors:

03-01-2019

Approximately 18 residents attended the Tuesday, 02-26-19 Q&A meeting at Santiago Rec Center from 7:00pm to 9:00pm. There is no formal agenda and all guests are invited to come and go as they please. Committee Chair, Ann Forrester, represented the Amenity Authority Committee (AAC). **Next Meeting: Tuesday, 03-26-19 @ Santiago Rec Center**

Topics Discussed:

I opened the meeting with a recap of the 02-26-19 Q&A report submitted to the CDD-2 Board; gave an update on the additional grout injections being done at Lago De Leon; discussed the difference between "wet" and "dry" water retention areas.

Aeration of Lago Santo Domingo: Resident expressed appreciation of the aeration's positive affect on water quality. The effectiveness of our secondary flood plain areas (including golf courses) was also discussed.

Low hanging branches obstructing golf carts: Resident followed up with an email which I forwarded to Property Management. (I had a reply within just a few minutes. Thanks Sam!)

Line of Sight at Cazares and Madero: Tree also blocks the Cazares sign for people coming down Madero. Also an issue at the intersection of Caribe and Enrique.

Golf carts driving into public area in spite of parking provision: Ann described the AAC's decision not to fence the area (near Freedom Point).

Golf Cart parking on street in Del Canto Villas/Alhambra: Parked too close to intersection. Community Watch and Sumter County Sheriff Dept. have been involved -- but this issue remains unresolved.

Congrats for quick response by Property Management for MMP repair near Summerchase Cottages.

Appointment of Candy Ginns to CDD-2 Board and discussion about Bryan Lifsey as our Board Chair.

Maintenance of Tierra Del Sol Pool: Missing mortar between tiles. Ann reported this to Property Management and the pool is scheduled for regeneration in 2019.

Discussion of fences, TV antennae, Deed Restrictions, etc.: Residents were advised to check with ARC before making any significant alterations. Past mistakes must be corrected and will not be grandfathered in.

Shuffle Board Courts in Santiago: New finish is deteriorating. Ann will follow through.

Flowers in front of Santo Domingo Gate: Unlike Santiago, flowers are set so far back against the wall that they are hardly visible. "Flowers give a wonderful feeling and we'd like to see them better at our gate."

E-notifications -- and how to sign up-- were discussed. (Thanks Deb!) I'll address this in more detail in my March newsletter to CDD-2 residents.

Respectfully Submitted, Bill S
