On MOTION by Gail Lazenby, seconded by Terry Biddle, with all in favor, the Board approved the Minutes from the Meeting held on February 8, 2019.

THIRD ORDER OF BUSINESS: Discussion Item: Operating Policies and Procedures

Richard Baier, District Manager, advised that Staff has completed the process of updating the District's Operating Policies and Procedures and has proposed updates for the Board's consideration and Staff will complete a review of the policies and procedures, and if the Board members have changes, concerns, questions, or comments about the existing procedures or those that may have been proposed, those will be addressed at this time.

Brittany Wilson, Director of Technology and Board Support Services, advised that at the February meeting the Board was provided with a copy of the Draft Operating Policies and Procedures for review. Ms. Wilson completed an overview of the revised Operating Policies and Procedures document and requested direction from the Board on several sections. The following sections were reviewed and discussed:

 Section 1.2 Standards of Civil Discourse: This section was added as a result of some requests made by Board Supervisors to ensure that Board Meetings can progress in a professional manner.

Vice Chairman Lazenby inquired if there is a provision within Florida Statutes that provides a Board the ability to go into executive sessions to discuss personnel issues and/or concerns. Valerie

Fuchs, District Counsel, advised that that there are only limited, specific exceptions under the Sunshine Law that allow meetings referred to as "shade" meetings.

- Section 1.3-3) Term of Supervisors Options for Filling Vacancies: Staff to review questions included on the application; Staff to provide additional open-ended questions that can be utilized during the application process; recommendation of replacement by outgoing Supervisor can be a consideration by the Board and scheduling a Special Meeting to hold interviews will be at the discretion of the Board. In the event of a tie, the two (2) candidates who received the most votes would move forward to a second interview process.
- Section 1.3-6) Officers Options for Selection of a Board Chairman and Vice Chairman: Maintain current process of nomination and majority vote by Board following a general election. Vice Chairman will take over if Chairman is no longer on the Board.
- Section 1.3-11) Board Supervisor Conduct: The Board requested that this section remain in the Operating Policies and Procedures.
- Section 1.3-10) Voting Conflict of Interest: A correction to section "a." will be made to state that "The Board Supervisor would then not vote" Ms. Fuchs clarified that Supervisors must vote on matters brought before them, unless a Supervisor has conflict of interest as stated within Florida Statute 112 and would insure to a Supervisor's private gain, which differs from ex-parte communication in an ARC or Deed Compliance case which would be prejudicial and could result in a challenge by a property owner.
- Section 1.5-4) Agenda Format: Maintain current agenda format. If a Supervisor would like an item included on the agenda it is requested that the item be provided to Staff 10 days in advance of the meeting and will be included under the "Supervisor Comments" portion of the agenda.
- Section 1.5-6) Procedures for Including Items on Agenda: Items to be included on agenda
 may be submitted by a Board Supervisor and will be addressed under "Supervisor
 Comments" for discussion purposes.
- Section 1.5-12) Roll Call Vote: Change language to read "Roll call votes will be conducted at the request of any Board Supervisor or at the District Manager's request to the Board Chair."

Ms. Wilson advised that once all revisions have been incorporated into the Operating Policies and Procedures Staff will proceed with the advertisement to hold a Public Hearing at a future meeting, at which time the Board will then formally adopt its Rule.

FOURTH ORDER OF BUSINESS: Old Business Status Update

There were no items on Old Business to be addressed.

FIFTH ORDER OF BUSINESS: Financial Statements

The Financial Statements as of January 31, 2019 were provided as information to the Board.

SIXTH ORDER OF BUSINESS: DPM Monthly Report

The District Property Management Report (DPM) was provided as information to the Board.

SEVENTH ORDER OF BUSINESS: Long-term Investment Portfolio

Kenny Blocker, Assistant District Manager, advised that the Investment Advisory Committee (IAC) met with PFM, the District's Financial Advisors, on February 5, 2019 to review the annual cash flow analysis. The analysis is performed annually to determine the appropriate allocation of cash, cash equivalents and investments in the Long-Term Investment Portfolio (LTIP). According to the analysis for District 3 the balance exceeds the 15% threshold so at this time Staff is not recommending any additional funds be invested in the Long-term Investment Portfolio.

Hi Susan!

I'm sorry it took so long to get back to you. As I have not been very active as an alternate and seem to continually fill my time schedule, I believe it would be best if I were to resign as an alternate for District 3 on the Architectural Review Committee and allow you to find someone else. If you have any questions or are unable to fill this position, feel free to contact me.

- IX. <u>Time for Performance</u>: Time is of the essence in the performance of this Contract. The CONTRACTOR specifically agrees that he will commence operations on the date specified in the Notice to Proceed and that all work to be performed under the provisions of this Contract shall be completed within 100 days, subject only to delays caused through no fault of the CONTRACTOR.
- X. <u>Indemnification:</u> To the fullest extent permitted by Florida Statute 725.06, Contractor shall indemnify and hold harmless the District and the officers, directors, members, partners, employees, agents, consultants, and subcontractors from and against all claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolutions costs) arising out of or relating to the performance of the work, provided that any such claim, cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury or destruction of tangible property (other than the work itself), including the loss of use resulting therefrom but only to the extent caused by any negligent act or omission of Contractor, any subcontractor, any supplier, or any individual or entity directly or indirectly employed by any of them to perform any of the work or anyone for whose acts any of them may be liable. The monetary limitation on the extent of the indemnification by contractor shall be \$1 million dollars per occurrence.

- XI. <u>Changes:</u> No changes to this Contract or the performance contemplated hereunder shall be made unless the same are in writing and signed by the parties hereto. In the event of any disagreement as to the provisions of this Contract with the plans and specifications that are made a part hereof by reference, the Contract shall prevail.
- XII. <u>Liquidated Damages</u>: The parties to this Agreement agree that time is of the essence in the work provided for herein and that a precise determination of actual damages which would be incurred by the DISTRICT for delay in the completion of the work provided for herein would be difficult to ascertain. Accordingly, the parties to the Agreement agree that the liquidated damages for each and every day that the time consumed in completing the work provided for in these Agreement Documents exceeds the time(s) allowed therefore, shall be the amount(s) stated below per day, including Saturdays, Sundays and legal holidays. The parties specifically agree that the liquidated damages provided for herein do not constitute a penalty.

The amount(s) of liquidated damages caused by the CONTRACTOR's delay will be deducted and retained out of the monies payable to the CONTRACTOR. If not so deducted, the CONTRACTOR and sureties for the CONTRACTOR shall be liable therefore.

The amount of liquidated damages to be assessed for each calendar day that final completion is delayed beyond the required date of completion per Paragraph IX of this Agreement shall be Two Hundred Fifty and 00/100 Dollars (\$250.00) per day.

XIII. Self Help By District

- a. Within three (3) calendar days (72 hours) after being notified by DISTRICT in writing of defective or unacceptable work, if the CONTRACTOR fails to correct such work, DISTRICT may cause the unacceptable or defective work to be corrected. If the DISTRICT corrects the work, the DISTRICT shall be entitled to deduct from any monies due, or which may become due to CONTRACTOR, the reasonable cost of remedying the defective or unacceptable work. Provided, however, if the corrective work cannot reasonably be completed within such three (3) day period, and the CONTRACTOR immediately begins corrective work, and DISTRICT reasonably determines that the CONTRACTOR is diligently pursuing the completion of such corrective work, DISTRICT agrees to allow CONTRACTOR to complete correction of the defective or unacceptable work. In addition, if the CONTRACTOR, for any reason, fails to perform any portion of the services required by the CONTRACTOR pursuant to this Agreement, the DISTRICT shall be entitled to deduct from any monies due or which may become due to CONTRACTOR the actual expenditures that are necessary to complete the services not performed.
- b. All costs and expenses incurred by DISTRICT pursuant to this section shall be deducted from monies due, or which may become due to CONTRACTOR for its obligations herein.
- c. The provisions of this paragraph are cumulative to all other provisions of the Agreement and it is not intended that any deductions in payment taken pursuant to this paragraph shall diminish or waive DISTRICT's right to declare the CONTRACTOR in default in accordance with applicable provisions of the Agreement.

XIV. Termination By The District

- a. The performance of work under this Agreement may be terminated by DISTRICT in accordance with this clause in whole or from time to time in part, whenever DISTRICT determines that CONTRACTOR is in default of the terms of this Agreement. Any such termination shall be effected by delivery to CONTRACTOR a Notice of Termination specifying the extent to which performance or work under the Agreement is terminated, and the date the termination becomes effective.

- h. After receipt of a Notice of Termination, CONTRACTOR shall submit to DISTRICT CONTRACTOR's termination claim in satisfactory form. Such claim shall be submitted promptly, but in no event later than one month from the effective date of termination unless one or more extensions in writing are granted by DISTRICT. No claim will be allowed for any expense incurred by CONTRACTOR to after the receipt of the Notice of Termination and CONTRACTOR shall be deemed to waive any right to any further compensation.
- i. CONTRACTOR and DISTRICT may agree upon the whole or any part of the amount or amounts to be paid to CONTRACTOR by reason of the total or partial termination of work pursuant to this clause, provided that such agreed amount or amounts, exclusive of settlement costs shall not exceed the total Agreement price as reduced by the expenditures necessary to complete the job covered by this Agreement.
- j. DISTRICT may, for any reason, terminate performance under this Agreement by the CONTRACTOR for convenience upon thirty (30) days written notice. DISTRICT will not be held responsible for any loss incurred by CONTRACTOR as a result of DISTRICT's election to terminate this Agreement pursuant to this paragraph.
