## EIGHTH ORDER OF BUSINESS: Discussion Item: Operating Policies and Procedures

Richard Baier, District Manager, advised that Staff has completed the process of updating the District's Operating Policies and Procedures and has proposed updates for the Board's consideration and Staff will complete a review of the policies and procedures, and if the Board members have changes, concerns, questions, or comments about the existing procedures or those that may have been proposed, those will be addressed at this time. Mr. Baier advised that at the February meeting the Board was provided with a copy of the Draft Operating Policies and Procedures for review. Mr. Baier completed an overview of the revised Operating Policies and Procedures document and requested direction from the Board on several sections. Following an in-depth discussion of:

- Section 1.2 Standards of Civil Discourse: This section was added as a result of some requests made by Board Supervisors to ensure that Board Meetings can progress in a professional manner.
- Section 1.3-6) Officers Options for Selection of a Board Chairman and Vice Chairman: Maintain current process of nomination and majority vote by Board following a general election.
- Section 1.3-10) Voting Conflict of Interest: A correction to section "a." will be made to state that "The Board Supervisor would then not vote"

Vice Chairman Nisbett inquired if statutory requirements require that members be physically present in the same location for a quorum or if virtual attendance at a meeting is allowed. Lewis Stone, District Counsel, advised that there is a Statute that allows for remote attendance, in an emergency situation, but as a general rule, that would not be proper practice.

- Section 1.3-11) Board Supervisor Conduct: The Board requested that this section remain in the Operating Policies and Procedures.
- Section 1.5-4) Agenda Format: Maintain current agenda format.

Mr. Baier advised that once all revisions have been incorporated into the Operating Policies and Procedures Staff will proceed with the advertisement to hold a Public Hearing at a future meeting, at which time the Board will then formally adopt its Rule.

#### NINTH ORDER OF BUSINESS: Long-Term Investment Policy

Kenny Blocker, Assistant District Manager, advised that the Investment Advisory Committee (IAC) met with PFM, the District's Financial Advisors, on February 5, 2019 to review the annual cash flow analysis. The analysis is performed annually to determine the appropriate allocation of cash, cash equivalents and investments in the Long-Term Investment Portfolio (LTIP). As a result of that analysis, it is recommended that Sumter Landing Community Development District (SLCDD) increase the amount invested in the LTIP, which is consistent with the 15% recommended by the IAC and approved by this Board. If approved by the Board, the LTIP will be increased in the amount of \$597,248 which will be completed in quarterly increments.

Supervisor McDaniel inquired if the 15% should be revisited and potentially increased to 20% or 25%. Mr. Blocker advised that if the Board would like to hold a discussion regarding the District's percentage amount that item could be added to a future agenda for discussion. Supervisor McDaniel requested the percentage be reviewed at a future meeting.

On MOTION by Brad Brown, seconded by Randy McDaniel, with all in favor, the Board approved the \$597,248 increase to the Long-Term Investment Portfolio as of April 1, 2019.

Sumter Landing Community Development District

**FROM:** Richard J. Baier, District Manager

**DATE:** 4/18/2019

SUBJECT: Approval of Lease Agreement with VOC

#### **ISSUE:**

Review and Consideration of a Lease Agreement between Sumter Landing Community Development District and The Villages Operating Company - Flying Biscuit

#### **ANALYSIS/INFORMATION:**

Staff was contacted by The Villages Operating Company with a request to lease 611.28 Sq. Ft. located adjacent to the Flying Biscuit restaurant building. The land would be used in conjunction with the business being operated on Building Area 11, 412.10 Sq. Ft. in the front of the building for outdoor seating and 199.18 Sq Ft. behind the building for a cooler. (see attached sketch for description). Staff has reviewed this area, determined it would not be detrimental, and has determined it will further enhance the activities within the district. The Term of the agreement is for five (5) years, and the Lessee would have the option to renew the Lease for five (5) additional five (5) year terms. The rent has been agreed to at \$200 per month with a \$5 per month increase for each renewal term. The lease amount was arrived at based on an analysis of established rental rates and exclusion of a building component so it becomes a land lease. It is believed to be a fair rental rate.

#### **STAFF RECOMMENDATION:**

Staff recommends that the Board approve the Lease Agreement with The Villages Operating Company.

#### **AGENDA REQUEST**

**TO:** Board of Supervisors

Sumter Landing Community Development District

**FROM:** Richrd J. Baier, District Manager

**DATE:** 4/18/2019

**SUBJECT:** Approval of Lease Agreement with VOC

#### **ISSUE:**

Review and Consideration of a Lease Agreement between Sumter Landing Community Development District and The Villages Operating Company.

#### **ANALYSIS/INFORMATION:**

Staff was contacted by The Villages Operating Company with a request to lease 1,235 Sq. Ft. located adjacent to The Chop House restaurant building. The land would be used in conjunction with the business being operated on Building Area 23, to expand the outdoor seating area (see attached sketch for description). Staff has reviewed this area, determined it would not be detrimental, and has determined it will further enhance the activities within the district. The Term of the agreement is for five (5) years, and the Lessee would have the option to renew the Lease for five (5) additional five (5) year terms. The rent has been agreed to at \$200 per month with a \$5 per month increase for each renewal term. The lease amount was arrived at based on an analysis of established rental rates and exclusion of a building component so it becomes a land lease. It is believed to be a fair rental rate.

#### **STAFF RECOMMENDATION:**

Staff recommends that the Board approve the Lease Agreement with The Villages Operating Company.

**MOTION:** Motion to approve the Lease Agreement with The Villages Operating Company and authorize the Chairman/Vice Chairman to execute the agreement.
