THIRD ORDER OF BUSINESS:

Acceptance of Audit Report for Fiscal Year 2017/2018

Anne Hochsprung, Finance Director, advised that Purvis Gray & Company, the District's Auditor, have completed the audit report for Fiscal Year 2017/2018 and reviewed the Statement of Activities as well as the Balance Sheet of Governmental Funds with the Board. The following items were highlighted from the Fiscal Year 2017/2018 audit:

- The assets and deferred outflows of the District exceeded its liabilities and deferred inflows as of September 30, 2018, by \$102,483,610 (net position). Of this amount, \$12,663,360 of unrestricted net position may be used to meet the District's ongoing obligations to residents and creditors.
- The District's total net position decreased by \$2,627,106. The decrease in net position results primarily from depreciation expense of \$3,301,532. Depreciation expense is provided to reflect the using up over time of the value of capital assets in order to allow for the planning of the timely replacement or renovation of these assets.
- The District's total long-term debt decreased by \$2,067,972 during the current fiscal year. The decrease relates to principal payments made on outstanding revenue bonds during the year ended September 30, 2018.
- At the close of the fiscal year, the District's governmental funds reported combined fund balances of \$14,661,174, a net increase of \$755,922 compared to prior year. Of the total, \$3,541,285 is available for spending at the District's discretion as unassigned fund balance.

- At the end of the year, unassigned fund balance of the General Fund was \$3,541,285 or 128.4 percent of total General Fund annual expenditures. This provides a healthy contingency for unexpected expenditures.
- Special assessments are shown as assessments receivable. At the fund level, there is an offsetting line item for unavailable revenue pertaining to assessments due in future years, which is a deferred inflow of resources. Assessments receivable decreased by \$2,157,044 during the year and has a September 30, 2018 balance of \$27,018,043.

Mark White with Purvis & Gray, the District's Auditors, advised an unmodified opinion has been issued and believes that the financial statements are fairly presented in accordance with generally accepted accounting principles and are free from material mistakes. Mr. White thanked Staff for their cooperation in providing all necessary documents to them for the completion of their audit. Mr. White responded to the inquiries of the Board.

The Board thanked the auditors for the report provided.

On MOTION by Jerry Ferlisi, seconded by Jerry Knoll, with all in favor, the Board accepted the Village Community Development District No. 5 Fiscal Year 2017/2018 Audit.

Staff has conducted a review of the District's existing Policies and Procedures, Statutory requirements, Operating Policies and Procedures from other governmental entities and existing policies that the Board has adopted throughout the years, which have been incorporated into the document presented. Ms. Wilson advised that Staff has highlighted those areas where options have been provided to the Board for consideration and are requesting that the Board review the document and provide comments to Staff to be incorporated prior to the March Board Meeting. Once the Operating Policies and Procedures have been finalized, Staff will move forward with the advertisement process for the Board to hold a Public Hearing to adopt the Rule. Staff responded to Board inquiries.

FIFTH ORDER OF BUSINESS: Architectural Review Manual

Candy Dennis, Community Standards Manager, advised that during the January meeting Staff presented proposed revisions to the Architectural Review Manual for consideration. During the Board Meetings held additional revisions were identified for the language pertaining to pavers, driveway painting for patio villas, front door and garage door painting for courtyard and patio villas and providing the necessary language for gate movement and adjusting of a sidewalk when corner/end lot courtyard villas construct a golf cart addition, which have been indicated in blue. District-wide, approximately \$4 million of additional funds were identified, which resulted in a recommendation by the IAC that Staff provide each District Board with an update at the March Board meetings, identifying if an increase to the LTIP should occur. Mr. Blocker advised the funds will be reviewed on a quarterly basis as well.

After an emergency meeting, the Board shall publish in a newspaper of general circulation in the District, the time, date, and place of the emergency meeting, the reasons why an emergency meeting was necessary, and a description of the action taken. Whenever an emergency meeting is called, the District Manager shall be responsible for notifying at least one newspaper of general circulation

in the District. Actions taken at an emergency meeting may be ratified by the Board at a regularly noticed meeting subsequently held.

- 17) Budget Hearing; Budget Amendment. Notice of hearing on the annual budget(s) shall be in accordance with Section 190.008, Florida Statutes. Once adopted in accordance with Section 190.008, Florida Statutes, the annual budget(s) may be amended from time to time by action of the Board. The District Manager may authorize transfers not to exceed \$10,000 for the Village Community Development District No. X. If it is necessary to transfer a balance that exceeds the authorized amounts for approval by the District Manager, then it is required to receive approval by the Board. A budget resolution is required for approval by the Board if the budget total will change. In the case of an emergency expenditure affecting the health, safety or welfare of the District, its residents, or landowners, such expenditures must be approved in advance by the District Manager.
- 18) Continuances. Any meeting of the Board or any item or matter included on the agenda or coming before the Board at a noticed meeting may be continued without re-notice or re-advertising provided that the continuance is to a specified date, time and location publicly announced at the Board meeting where the item or matter came before the Board.

1.6 Rulemaking Proceedings.

- 1) Commencement of Proceedings. Proceedings held for adoption, amendment, or repeal of a District rule shall be conducted according to the applicable provisions of Chapter 120, Florida Statutes, and these Rules. Rulemaking proceedings shall be deemed to have been initiated upon publication of notice by the District.
- 2) Notice of Rule Development. Except when the intended action is the repeal of a rule, the District shall provide notice of the development of proposed rules by publication of a notice of rule development in a newspaper of general circulation in the District before providing notice of a proposed rule as required by paragraph (3). The notice of rule development shall indicate the subject area to be addressed by rule development, provide a short, plain explanation of the purpose and effect of the proposed rule, cite the specific legal authority for the proposed rule, and a statement of how a person may promptly obtain a copy of any preliminary draft, if available. All rules should be drafted in accordance with Chapter 120, F.S.
- 3) Notice of Proceedings and Proposed Rules. Prior to the adoption, amendment, or repeal of any rule other than an emergency rule, the District shall give notice of its intended action, setting forth a short, plain explanation of the purpose and effect of the proposed action; a reference to the specific rulemaking authority pursuant to which the rule is adopted; and a reference to the section or subsection of the Florida Statutes or the Laws of Florida being implemented, interpreted, or made specific. The notice shall include a summary of the District's statement of the estimated regulatory costs, if one has been prepared, based on the factors set forth in Section 120.541(2), and a statement that any person who wishes to provide the District with a lower cost regulatory alternative as provided by Section 120.541(1), must do so in writing within 21 days after publication of the notice. The notice must state the procedure for requesting a public hearing on the proposed rule unless one is otherwise scheduled. Except when the intended action is the repeal of a rule, the notice shall include a reference both to the date on which and to the place where the notice of rule development that is required by subsection (2) appeared.
 - a. The notice shall be published in a newspaper of general circulation in the District not less than 28 days prior to the intended action. The proposed rule shall be available for inspection and copying by the public at the time of the publication of notice.
 - b. The notice shall be mailed to all persons named in the proposed rule. Any person may file a written request with the District Manager or secretary at the Board's office to receive notice by mail of District proceedings to adopt, amend or repeal a rule. Such persons must furnish a mailing address and may be required to pay the cost of copying and mailing. Notice will then be mailed to all persons whom, at least 14 days prior to such mailing, have made requests of the district for advance notice of its proceedings.

- 4) Rule Development Workshops. Whenever requested in writing by any affected person, the District must either conduct a rule development workshop prior to proposing rules for adoption or the Board Chair must explain in writing why a workshop is unnecessary. The District may initiate a rule development workshop but is not required to do so.
- 5) Petitions to Initiate Rulemaking. All petitions for the initiation of rulemaking proceedings pursuant to Section 120.54(7), Florida Statutes, must contain the name, address, and telephone number of the Petitioner, specific action requested, specific reason for adoption, amendment, or repeal, the date submitted, and shall specify the text of the proposed rule and the facts showing that the Petitioner is regulated by the District or has a substantial interest in the rule or action requested. Petitions to initiate rulemaking shall be filed with the District. The Board shall then act on the petition in accordance with Section 120.54(7), Florida Statutes (1999), except that copies of the petition shall not be sent to the Administrative Procedures Committee, and notice may be given in a newspaper of general circulation in the county in which the District is located.
- 6) Rulemaking Materials. After the publication of the notice to initiate rulemaking, the Board shall make available for public inspection and shall provide, upon request and payment of cost of copies, the following materials:
 - a. The text of the proposed rule, or any amendment or repeal of any existing rules;
 - b. A detailed written statement of the facts and circumstances justifying the proposed rule;
 - c. A copy of the statement of estimated regulatory costs if required by Section 120.541; and
 - d. The published notice.
- 7) Rulemaking Proceedings - No Hearing. When no hearing is requested and the Board chooses not to initiate a hearing on its own, or if the rule relates exclusively to organization, practice or procedure, the Board may direct the proposed rule be filed with the District Office no less than twenty-eight (28) days following notice. Such direction may be given by the Board either before initiating the rule-adoption process or after the expiration of the twenty-one (21) days during which affected persons may request a hearing.
- 8) Rulemaking Proceedings - Hearing. If the proposed rule does not relate exclusively to organization, practice or procedure, the District shall provide (upon request) a public hearing for the presentation of evidence, argument and oral statements, within the reasonable conditions and limitations imposed by the District to avoid duplication, irrelevant comments, unnecessary delay or disruption of the proceedings. Any affected person may request a hearing within twenty-one (21) days after the date of publication of the notice of intent to adopt, amend or repeal a rule.
- 9) Request for a Public Hearing. A request for a public hearing shall be in writing and shall specify how the person requesting the public hearing would be affected by the proposed rule. The request shall be submitted to the District within 21 days after notice of intent to

adopt, amend, or repeal the rule is published as required by law, in accordance with the procedure for submitting requests for public hearing stated in the notice of intent to adopt, amend, or repeal the rule.

- a. If the notice of intent to adopt, amend, or repeal a rule did not notice a public hearing and the District determines to hold a public hearing, the District shall publish notice of a public hearing in a newspaper of general circulation within the District at least 7 days before the scheduled public hearing. The notice shall specify the date, time, and location of the public hearing, and the name, address, and telephone number of the District contact person who can provide information about the public hearing.
 - b. Written statements may be submitted by any person within a specified period of time prior to or following the public hearing. All timely submitted written statements shall be considered by the District and made a part of the rulemaking record.
- 10) Emergency Rule Adoption. The Board may adopt an emergency rule if it finds that immediate danger to the public health, safety, or welfare exists which requires immediate action. Prior to the adoption of an emergency rule, the District Manager shall make reasonable efforts to notify a newspaper of general circulation in the District. Notice of emergency rules shall be published as soon as practical in a newspaper of general circulation in the District. The District may use any procedure which is fair under the circumstances in the adoption of an emergency rule as long as it protects the public interest as determined by the District and otherwise complies with these provisions
- 11) Negotiated Rulemaking. The District may use negotiated rulemaking in developing and adopting rules pursuant to Section 120.54, Florida Statutes.
- 12) Variances and Waivers. Variances and waivers from District rules may be granted subject to the provisions and limitations contained in Section 120.542, Florida Statutes.

1.7 Decisions Determining Substantial Interests.

- 1) Conduct of Proceedings. Proceedings may be held by the District in response to a written request submitted by a substantially affected person within fourteen (14) days after written notice or published notice of District action or notice of District intent to render a decision. Notice of both action taken by the District and the District's intent to render a decision shall state the time limit for requesting a hearing and shall reference the District's procedural rules. If a hearing is held, the Board Chair shall designate any member of the Board (including the Chair), District Manager, District General Counsel, or other person to conduct the hearing.
 - a. The person conducting the hearing may:
 - i. Administer oaths and affirmations;
 - ii. Rule upon offers of proof and receive relevant evidence;
 - iii. Regulate the course of the hearing, including any prehearing matters;
 - iv. Enter orders;
 - v. Make or receive offers of settlement, stipulation, and adjustment.
 - b. The person conducting the hearing shall, within thirty (30) days after the hearing or receipt of the hearing transcript, whichever is later, file a recommended order which shall include a caption, time and place of hearing, appearances entered at the hearing, statement of the issues, findings of fact and conclusions of law, separately stated, and a recommendation for final District action.
 - c. The District shall issue a final order within forty-five (45) days:
 - i. After the hearing is concluded, if conducted by the Board;
 - ii. After a recommended order is submitted to the Board and mailed to all parties, if the hearing is conducted by persons other than the Board; or
 - iii. After the Board has received the written and oral material it has authorized to be submitted, if there has been no hearing.
- 2) Eminent Domain. After determining the need to exercise the power of eminent domain pursuant to Subsection 190.11(11), Florida Statutes, the District shall follow those procedures prescribed in Chapters 73 and 74, Florida Statutes. Prior to exercising the power of eminent domain, the District shall:
 - a. Adopt a resolution identifying the property to be taken;

- i. If the property is beyond the boundaries of the District, obtain approval by resolution of the governing body of the county if taking will occur in an unincorporated area, or of the municipality if the taking will occur within the municipality.

1.8 Purchasing Policies and Procedures.

- 1) The Village Community Development District No. X's purchasing policies and procedures will be conducted in accordance with the authority given in Chapter 190 of Florida State Statutes and all other applicable laws.

1.9 Effective Date.

- 1) These Rules shall be effective _____, 2019, except that no election of officers required by these Rules shall be required until after the next regular election for the Board of Supervisors.

FROM: Candice N. Dennis, Community Standards Manager

DATE: 3/15/2019

SUBJECT: Architectural Review Committee Selection Process

ISSUE:

The Primary and Alternate Architectural Review Committee (ARC) Member for Village Community Development District No. 5.

ANALYSIS/INFORMATION:

On April 30, 2019, Mr. Best's term as the primary ARC member will expire. Mr. Best has expressed his desire to remain in the primary member position. The current selection process adopted by resolution does not provide an option to allow the Board to re-appoint Mr. Best as the primary ARC member. The resolution specifies the Board members shall review submitted applications, conduct interviews with the applicants and select and appoint the ARC representative at the completion of the interviews.

The Board has two options:

- To follow the current selection process as identified above; or
- Amend the current selection process to include:
 1. When a primary member's position becomes vacant, the Board has the option to appoint the existing alternate member to the primary member position without considering other applicants. If the alternate member declines the position, the Board shall review submitted applications, conduct interviews with the applicants and select its ARC representative upon completion of the interviews; and
 2. When a primary or alternate ARC member's term expires, if the primary or alternate member indicates a desire to remain on the ARC, the Board has the option to re-appoint the primary or alternate member position with the existing primary or alternate member without considering other applicants.

If the Board **chooses to amend** the current selection process the Board has the option to re-appoint Mr. Joel Best as the primary ARC member for a four (4) year term. Staff recommends a motion to adopt Resolution 19-05 Establishing the Selection Process when appointing a primary or alternate ARC member to the Board.

If the Board **chooses not to amend** the current selection process, staff requests authorization to advertise for the primary member position for the ARC and all submitted applications will be presented to the Board at the April 19, 2019 meeting for applicant interviews, selection and appointment to the ARC.

Long-term Investment Portfolio Update

ANALYSIS/INFORMATION:

The Investment Advisory Committee met with PFM Advisors on February 5, 2019 to review the annual cash flow analysis. The analysis is performed annually to determine the appropriate allocation of cash, cash equivalents and investments in the Long Term Investment Portfolio (LTIP). As previously defined by the Board, the balance in the LTIP should be 15% of the total cash and investment portfolio, net of the short term allocation. Based on this analysis, the IAC recommended a net \$4 million increase to the LTIP across all Districts combined to be reevaluated every quarter and deposited ratably over the next four quarters, beginning April 1, 2019.

Total cash and investments on hand in District 5 as of September 30, 2018 were \$13,503,134, of which \$1,485,014 should be in the LTIP. As of September 30, 2018, the LTIP balance exceeds the threshold established.

STAFF RECOMMENDATION:

No additional funds should be invested in the LTIP per the following analysis:

District Name	Recommended LTIP Balance (15%)	LTIP Balance as of September 30, 2018	Total Add'l Funds to Deposit	Adjusted LTIP Balance	April 1 Qtrly Installment
District #5	\$ 1,485,014	\$ 1,789,469	\$ -	\$ 1,789,469	\$ -

GOVERNMENT IN THE SUNSHINE

- Florida's Government in the Sunshine Law, commonly referred to as the Sunshine Law, provides a right of access to governmental proceedings at both the state and local levels.
- The law is equally applicable to elected and appointed board and has been applied to any gathering of two or more members of the same board to discuss matters which will foreseeably come before that board for action.
- Three basic requirements of Chapter 286.011 of the Florida State Statutes are:
 - Meetings of public boards or commissions must be open to the public;
 - Reasonable notice of such meetings must be given; and
 - Minutes of the meetings must be taken.

PUBLIC RECORDS

- District documents are public records and must be provided upon request.
- The Florida Supreme Court has determined that public records are all materials made or received by an agency in connection with official business which are used to perpetuate, communicate or formalize knowledge.
- They are not limited to traditional written documents. Tapes, photographs, films and sound recordings are also considered public records subject to inspection unless a statutory exemption exists.
- Each type of public record document has its own retention period.

EX-PARTE COMMUNICATIONS

District 11 has requested PWAC consider adding the item to the routine maintenance at a one-time cost of approximately \$5,300 for initial clean up and weed whipping with an ongoing yearly maintenance of approximately \$3,200.
