On MOTION by Peter Moeller, seconded by Tom Griffith, with all in favor, the Board approved the Minutes for the Meeting held on January 18, 2019.

THIRD ORDER OF BUSINESS: Acceptance of Audit Report for Fiscal Year 2017/2018

Anne Hochsprung, Finance Director, advised that Purvis Gray & Company, the District's Auditor, have completed the audit report for Fiscal Year 2017/2018 and reviewed the Statement of Activities as well as the Balance Sheet of Governmental Funds with the Board. The following items were highlighted from the Fiscal Year 2017/2018 audit:

- The assets and deferred outflows of the District exceeded its liabilities and deferred inflows as of September 30, 2018, by \$83,022,331 (net position). Of this amount, \$10,067,277 of unrestricted net position may be used to meet the District's ongoing obligations to residents and creditors.
- The District's total net position decreased by \$1,382,670. The decrease in net position results primarily from depreciation expense for capitalized fixed assets of \$2,485,821. Depreciation expense is provided to reflect the using up over time of the value of items of capital equipment previously acquired in order to allow for the planning of the timely replacement or renovation of these assets when required.
- The District's total long-term debt decreased by \$3,618,658 during the current Fiscal Year. The
 decrease relates to principal payments made on outstanding revenue bonds during the year ended
 September 30, 2018.
- At the close of the Fiscal Year, the District's governmental funds reported combined fund balances of \$14,386,510, a net increase of \$1,097,013, compared to prior year. The fund balance of the General Fund increased by \$1,118,995 which was offset by a decrease in the Debt Service Fund of \$21,982. Of the total, \$2,700,524 is available for spending at the District's discretion as unassigned fund balance.

- At the end of the year, unassigned fund balance of the General Fund was \$2,700,524 or 93.8
 percent of total General Fund annual expenditures. This provides a healthy contingency for
 unexpected expenditures.
- Special assessments are shown as assessments receivable. At the fund level, there is an offsetting line item for unavailable revenue pertaining to assessments due in future years, which is a deferred inflow of resources. Assessments receivable decreased by \$23,647,238 during the year and has a September 30, 2018 balance of \$61,650,989.

Mark White with Purvis & Gray, the District's Auditors, advised an unmodified opinion has been issued and believes that the financial statements are fairly presented in accordance with generally accepted accounting principles and are free from material mistakes. Mr. White thanked Staff for their cooperation in providing all necessary documents to them for the completion of their audit. Mr. White responded to the inquiries of the Board.

The Board thanked the auditors for the report provided.

On MOTION by Tom Griffith, seconded by Peter Moeller, with all in favor, the Board accepted the Village Community Development District No. 6 Fiscal Year 2017/2018 Audit.

FIFTH ORDER OF BUSINESS: Operating Policies and Procedures

Brittany Wilson, Director of Technology and Board Support Services, advised that a draft of the Operating Policies and Procedures was provided to the Board via email and as an attachment to the agenda package. Staff has conducted a review of the District's existing Policies and Procedures, Statutory requirements, Operating Policies and Procedures of other governmental entities and existing policies that the Board has adopted throughout the years, which have been incorporated into the document presented. Ms. Wilson advised that Staff has highlighted those areas where options have been provided to the Board for consideration and are requesting that the Board review the document and provide comments to Staff to be incorporated prior to the March Board Meeting. Once the Operating Policies and Procedures have been finalized, Staff will move forward with the advertisement process for the Board to hold a Public Hearing to adopt the Rule.

Supervisor Griffith advised that he would like the Operating Policies and Procedures to include language that is easy to read and understand.

Richard Baier, District Manager, advised that some of the items within the document are per Florida Statute and cannot be changed.

Vice Chairman Moeller stated he believes there are items within the document that will require extensive discussion during the March meeting. Mr. Baier encouraged the Board to submit questions and comments to Staff, prior to the March meeting, to allow Staff an opportunity to review the information and be able to address the comment and questions at the March meeting. - The Committee recommended award of the multi-modal path tunnel guide sign project to the Sumter Landing Community Development District (SLCDD).

Vice Chairman Moeller advised that Staff provided a brief overview of two (2) alternatives being considered to review the current condition of the Morse Boulevard embankment. Mr. Baier advised that the first alternative would be to utilize divers to video underneath the water and provide the information to the engineers on the shoreline; and the second would be to utilize laser leveling which would also show if additional degradation has occurred.

Vice Chairman Moeller advised the PWAC will hold a Q&A session on Thursday, February 28, 2019 at 6 p.m. at Rohan Regional Recreation Center.

Chairman Calandro requested that Mr. Baier provide an update of an email forwarded previously to the Board which addressed mosquito control which addressed a concern raised that pertained to a confirmed case of West Nile virus that led to the death of a resident in the Village of Fenney. A meeting has been set for March 12th, in the evening, at Truman Recreation Center, to review the application of mosquito control chemicals for the different types of mosquitos within Lake County. Rulemaking proceedings shall be deemed to have been initiated upon publication of notice by the District.
- 2) Notice of Rule Development. Except when the intended action is the repeal of a rule, the District shall provide notice of the development of proposed rules by publication of a notice of rule development in a newspaper of general circulation in the District before providing notice of a proposed rule as required by paragraph (3). The notice of rule development shall indicate the subject area to be addressed by rule development, provide a short, plain explanation of the purpose and effect of the proposed rule, cite the specific legal authority for the proposed rule, and a statement of how a person may promptly obtain a copy of any preliminary draft, if available. All rules should be drafted in accordance with Chapter 120, F.S.
- 3) Notice of Proceedings and Proposed Rules. Prior to the adoption, amendment, or repeal of any rule other than an emergency rule, the District shall give notice of its intended action, setting forth a short, plain explanation of the purpose and effect of the proposed action; a reference to the specific rulemaking authority pursuant to which the rule is adopted; and a reference to the section or subsection of the Florida Statutes or the Laws of Florida being implemented, interpreted, or made specific. The notice shall include a summary of the District's statement of the estimated regulatory costs, if one has been prepared, based on the factors set forth in Section 120.541(2), and a statement that any person who wishes to provide the District with a lower cost regulatory alternative as provided by Section 120.541(1), must do so in writing within 21 days after publication of the notice. The notice must state the procedure for requesting a public hearing on the proposed rule unless one is otherwise scheduled. Except when the intended action is the repeal of a rule, the notice shall include a reference both to the date on which and to the place where the notice of rule development that is required by subsection (2) appeared.
 - a. The notice shall be published in a newspaper of general circulation in the District not less than 28 days prior to the intended action. The proposed rule shall be available for inspection and copying by the public at the time of the publication of notice.
 - b. The notice shall be mailed to all persons named in the proposed rule. Any person may file a written request with the District Manager or secretary at the Board's office to receive notice by mail of District proceedings to adopt, amend or repeal a rule. Such persons must furnish a mailing address and may be required to pay the cost of copying and mailing. Notice will then be mailed to all persons whom, at least 14 days prior to such mailing, have made requests of the district for advance notice of its proceedings.

- 4) <u>Rule Development Workshops.</u> Whenever requested in writing by any affected person, the District must either conduct a rule development workshop prior to proposing rules for adoption or the Board Chair must explain in writing why a workshop is unnecessary. Petitions to initiate rulemaking shall be filed with the District. The Board shall then act on the petition in accordance with Section 120.54(7), Florida Statutes (1999), except that copies of the petition shall not be sent to the Administrative Procedures Committee, and notice may be given in a newspaper of general circulation in the county in which the District is located.
- 6) <u>Rulemaking Materials.</u> After the publication of the notice to initiate rulemaking, the Board shall make available for public inspection and shall provide, upon request and payment of cost of copies, the following materials:
 - a. The text of the proposed rule, or any amendment or repeal of any existing rules;
 - b. A detailed written statement of the facts and circumstances justifying the proposed rule;
 - c. A copy of the statement of estimated regulatory costs if required by Section 120.541; and
 - d. The published notice.
- 7) Rulemaking Proceedings No Hearing. When no hearing is requested and the Board chooses not to initiate a hearing on its own, or if the rule relates exclusively to organization, practice or procedure, the Board may direct the proposed rule be filed with the District Office no less than twenty-eight (28) days following notice. Such direction may be given by the Board either before initiating the rule-adoption process or after the expiration of the twenty-one (21) days during which affected persons may request a hearing.
- 8) Rulemaking Proceedings Hearing. If the proposed rule does not relate exclusively to organization, practice or procedure, the District shall provide (upon request) a public hearing for the presentation of evidence, argument and oral statements, within the reasonable conditions and limitations imposed by the District to avoid duplication, irrelevant comments, unnecessary delay or disruption of the proceedings. Any affected person may request a hearing within twenty-one (21) days after the date of publication of the notice of intent to adopt, amend or repeal a rule.
- 9) Request for a Public Hearing. A request for a public hearing shall be in writing and shall specify how the person requesting the public hearing would be affected by the proposed rule. The request shall be submitted to the District within 21 days after notice of intent to

adopt, amend, or repeal the rule is published as required by law, in accordance with the procedure for submitting requests for public hearing stated in the notice of intent to adopt, amend, or repeal the rule.

- a. If the notice of intent to adopt, amend, or repeal a rule did not notice a public hearing and the District determines to hold a public hearing, the District shall publish notice of a public hearing in a newspaper of general circulation within the District at least 7 days before the scheduled public hearing. The notice shall specify the date, time, and location of the public hearing, and the name, address, and telephone number of the District contact person who can provide information about the public hearing.
- b. Written statements may be submitted by any person within a specified period of time prior to or following the public hearing. All timely submitted written statements shall be considered by the District and made a part of the rulemaking record.
- 10) Emergency Rule Adoption. The Board may adopt an emergency rule if it finds that immediate danger to the public health, safety, or welfare exists which requires immediate action. Prior to the adoption of an emergency rule, the District Manager shall make reasonable efforts to notify a newspaper of general circulation in the District. Notice of emergency rules shall be published as soon as practical in a newspaper of general circulation in the District. The District may use any procedure which is fair under the circumstances in the adoption of an emergency rule as long as it protects the public interest as determined by the District and otherwise complies with these provisions
- 11) <u>Negotiated Rulemaking.</u> The District may use negotiated rulemaking in developing and adopting rules pursuant to Section 120.54, Florida Statutes.
- 12) <u>Variances and Waivers.</u> Variances and waivers from District rules may be granted subject to the provisions and limitations contained in Section 120.542, Florida Statutes.

Long-Term Investment Portfolio Update

ANALYSIS/INFORMATION:

The Investment Advisory Committee met with PFM Advisors on February 5, 2019 to review the annual cash flow analysis. The analysis is performed annually to determine the appropriate allocation of cash, cash equivalents and investments in the Long Term Investment Portfolio (LTIP). As previously defined by the Board, the balance in the LTIP should be 15% of the total cash and investment portfolio, net of the short term allocation. Based on this analysis, the IAC recommended a net \$4 million increase to the LTIP across all Districts combined to be reevaluated every quarter and deposited ratably over the next four quarters, beginning April 1, 2019

Total cash and investments on hand in District 6 as of September 30, 2018 were \$11,863,594, of which \$1,340,634 should be in the LTIP. As of September 30, 2018, the LTIP balance exceeds the threshold established.

STAFF RECOMMENDATION:

No additional funds should be invested in the LTIP per the following analysis:

	Recommended	LTIP Balance as	Total Add'l		
	LTIP Balance	of September	Funds to	Adjusted LTIP	April 1 Qtrly
